FLIGHT SERIES BLIND BAG

Carry all your essential gear in a 10- x 10- x 18-inch Tanglefree Flight Series Blind Bag. Water-repellent technology, waterproof side zippers, rustproof components, internal organizing mesh pockets and shoulder strap. It's covered in Optifade Marsh pattern. Tanglefree.com; 877-685-5055.

HEVI-METAL

Hevi-Shot is cool stuff, but it costs more. Instead choose Hevi-Metal, a load of larger steel shot behind smaller tungsten and a flaxseed crimp filler to hit ducks hard at less cost. Hevi-Metal is available in all shotgun gauges and lengths. Hevishot.com; 541-367-3522.

FOWL FOOLER FLEX NECK

Fowl Fooler's full-body goose field decoys include flexible necks, allowing you to turn heads and necks into any desired pose. Mix them with standard decoys to make spreads more realistic. Solid-foam, burlap-wrapped bodies. Fowlfoolers.com; 419-797-2412.

HEAVY HAULER FLP BLIND

Heavy Hauler's FLP Blind provides 100 percent coverage and 360-degree visibility while putting you closer to the ground for better concealment. Padded headrest and see-through plastic/nylon mesh cover. Heavyhauleroutdoor-gear.com; 712-540-3605.

LAKE EFFECT DECOYS

All Lake Effect Decoys are magnum sized and molded from tough foam resin to be unsinkable, even when shot directly. They're wrapped in burlap, painted and now include an LED rotating head with lifetime warrantee against breaking a bill. Lakeeffectdecoys.com; 814-573-2747.

INVISILAY BLIND

A Momarsh Invisilay blind can be used on dry land in a conventional manner, or in standing water up to 16 inches deep. Folding, adjustable legs support a full-concealment blind. Hammock interior is extra comfortable. The blind weighs only 12 pounds. Momarsh.com; 314-825-3825.

STORMR OUTERWEAR

Stay warm and dry without bulk with StormR's thin, flexible, wind-proof and waterproof clothing. Neoprene allows free range of motion and water buoyancy. Full line of jackets and bibs, all treated with a water-repellent finish. Stormrusa.com; 877-222-0347.

BROWNING SILVER

Bridging the gap between the Gold and Maxus, Browning's popular Silver includes Active Valve gas piston to feed on any shell choice, a trigger guard compatible with gloves, back-bored barrels and Invector-Plus choke tubes. Browning.com; 800-322-4626.

DUCKS UNLIMITED

If you care about ducks and geese, you should be a member of Ducks Unlimited. Since 1937, no organization has done more to assure the future of waterfowl hunting, protecting more than 13 million acres across North America. Join and do your part. Ducks.org; 800-45DUCKS.

DAKOTA DECOY NEW SIGNATURE SERIES HONKERS

Dakota Decoy's new Signature Series Honkers add unmatched realism to your spread while you are pursuing the wariest Canada geese in the most heavily gunned areas. These ultra-tough, high-definition decoys include a novel one-piece body/head so you'll have no worries of lost or broken heads during the predawn rush to set a spread. They are constructed from a new EVA plastic formula that can take a real beating and come out looking pristine. Each set of decoys comes with five unique body postures, plus Wind Walker Motion bases that eliminate stakes. Dakotadecoy.com; 605-624-3825.
