ALPS ZERO GRAVITY
The new Delta Zero Gravity blind from Alps requires no assembly, keeps you off the ground in a comfortable "chair" and provides plenty of room for keeping gear under wraps. Features include backpack carry straps, two side pockets and brush loops. Alps-brands.com; 800-344-2577.

VICTOR DOG FOOD
Family owned and committed to quality, Victor Pet Food makes top feed for hunting dogs. Its Performance Formula features high levels of protein and energy and contains Omega 3 and 6 as well as glucosamine. Victor has food to match the dog you own. Victordogfood.com; 888-428-7544.

HEVI-SHOT HEVI-STEEL
Hevi-Steel has you covered in all three lengths of 12 gauge and 3-inch 20 gauge. Wisely, shot selection also includes 1s and 3s in this offering. Velocities of Hevi-Steel have increased, ranging up to 1,550 in some 12 gauge loadings. Hevishot.com; 541-367-3522.

DAKOTA DECOY DUCKS
In addition to its new mallard Dabber Pack, Dakota adds two new ducks to its line: wood ducks and bluebills. Both are sold in six-packs. Both come with standard keel design and are backed by a paint guarantee. Dakotadecoy.com; 605-624-3825.

INVISIMAN HYBRID
Momarsh's new Invisiman is a half-breed version of the Invisilay. Essentially, the Invisiman is half a full-length layout blind, complete with flip-style doors, stubble straps and extendable legs. You simply lie back with your wader-clad legs in the water. Momarsh.com; 314-825-3825.

KENT BISMUTH PREMIUM
Kent has taken everything that was great about Bismuth and made it better. Drop-dead power and retained energy mean fewer injured birds, less felt recoil and tighter patterns. Bismuth is safe for fixed choke and high-grade barrels. Kentgamebore.com; 888-311-5368

EVERY TRAINER'S BAG
The Pro Trainer's Bag from Avery ASG can hold training bumpers, scent, a starter pistol, leads, whistles and even a handheld launcher. Features include a sealed main compartment, eight accessory sleeves and adjustable shoulder strap. avery-sportingdog.com; 800-333-5119.

BENELLI SBE II 25 YEARS
To celebrate 25 years, Benelli is offering an enhanced SBE II model with a brushed-nickel bolt, oversized bolt handle and bolt release button, extra-long fiber-optic front sight, three chokes, and Max-5 or black finishes. Benelli-USA.com; 800-264-4962.

AVIAN-X A-FRAME
The Avian-X A-Frame Blind offers invisibility in marshes, fence rows, waterways or open fields. This portable blind features an aluminum frame finished with a rugged Shadow Grass shell. Measures 96 by 60 by 48 inches and weighs 26 pounds. Avian-x.com; 877-534-2263.

EXCEL OPTIFADE CAMO OPTION
New for 2016, Gore Optifade Waterfowl camouflage is now available on all Excel boat models. Designed to fool ducks by completely obliterating hard outlines of hunters and their gear, Gore's Optifade Waterfowl Marsh pattern is perfect for a diverse selection of hunting environments. One series in the Excel line that certainly uses the new camouflage pattern to its advantage is the F4 Shallow Water series. Standard features on the F4 include running lights, a 12-gallon fuel tank, rod and gun box, dry storage, twin battery storage, 30-inch handrails and a full-flotation step deck. Excelboats.net; 801-352-1458.
