**MUD BUDDY 40 EFI**

The powerful 40 EFI from Mud Buddy sets a new standard for mud motor performance. Direct throttle control delivers crisp response, idle air control means smooth trolling and trailering, and a 20/50-amp alternator fully powers all systems. See video and much more at Mudbuddy.com.

**MOJO EXPANDS ELITE LINE**

In addition to the King Mallard, Mojo's Elite series offers a mini mallard drake and hen, bluewing, greenwing, gad-wall, pintail and woody. The Elites use an integrated housing that keeps working components attached directly to the pole. Just add the flexible decoy skin! Mojooutdoors.com

**MUDSLINGER BACKPACK**

Built for blinds, mud and travel, the Mudslinger backpack features full foam flotation, EVA bottom, sun-glass case, ammo pocket, integrated game totes, Thermos holder and side handle with daisy chain for attaching anchor clips. Internal pocket will handle laptop or tablet. Rigemright.com

**GO-DEVIL'S NEW 40 HP**

Go-Devil's newest surface drive brings 40 hp of Briggs & Stratton Vanguard marine engine thrust to your rig. Features a stainless-steel muffler, lighter flywheel, CDI electronic ignition, and electronic fuel injection. Available in standard or high transom, painted or galvanized. Godevil.com

**KENT BISMUTH**

Bismuth features pellets heavier than steel yet soft as lead. Kent Bismuth is loaded with top-quality components that function in today's popular semi-autos but won't harm even fixed choke barrels. Now offered in all three lengths of 12 gauge, plus 20 gauge. Kentgamebore.com

**CODE BLACK DECOY TUBE**

Patternmaster's Code Black Decoy tube extends out the end of a barrel and has an effective range out to 40 yards. The "stud ring" inside offers much shorter shot strings. This shorter shot string allows more shot on target all at once. It comes in nonreflective bronze. Patternmaster.com

**BENELLI SBE 3**

The new Benelli Super Black Eagle 3 boasts dozens of enhancements and original features that improve the way the shotgun looks, feels and performs. Enhanced breech closing system, oversized bolt handle, oversized bolt release, and oversized safety top the list. Benelliusa.com

**BUILDING ON LEGEND**

The original Browning Auto-5 is considered to be nothing less than a legend in wing-shooting. Though the new A5 shares only the name and the humpback receiver profile with the original autoloader, these new guns build on its legacy of reliability and performance. Browning.com

**VICTOR DOG FOOD'S CONSISTENT PERFORMANCE**

Victor Super Premium dog food uses advanced ingredients with proven nutrition at an honest value. Victor Performance contains excellent levels of protein and fat, providing the energy and stamina needed for dogs with high physical demands. This formula also is fortified with glucosamine to support joint health. Curtis Treadway (pictured) of Arkana Kennels, Arkansas, has been successfully training dogs for nearly a decade. He proudly recommends Victor to all his clients. The official dog food of Duck Commander, Victor comes with the highest rankings from DogFoodAdvisor.com. Victorpetfood.com; 888-428-7544.

**SITKA DELTA ZIP WADER**

Sitka's new versatile and durable Delta Zip wader features a waterproof Aquaseal zipper to allow for simple off and on. Lightweight, Lacrosse Aero-form insulated boots add agility. Shins and knees are reinforced with rugged foam pads. Made in USA. Fully serviceable. Sitkagear.com
